

Vestry Meeting, Sunday February 12, 2012

Present: Jack Bash, Jim Knox, Fred Thompson, Jeanne Kobrock, Ashley Wissmann, Phil Blaney, Fr. Craig Hacker, Margaret Reimer, Terry Reimer

The meeting was convened with an opening prayer.

Minutes for the January meeting and the annual meeting will be considered in March.

Finance report:

Jack reviewed the month's financial report. The monthly income and expenditures are roughly equivalent with last year's numbers. We are running a slight deficit due to larger seasonal expenses, such as plowing. The report was accepted.

Stewardship:

There are still 12 or so regular pledgers to the congregation who have not yet returned their pledge cards. The finance committee will begin calling soon. We may still be low on total amount pledged; in this case, adjustments will be made to the budget.

Parochial report:

Terry walked the Vestry through the numbers on this year's report. There was discussion and the report was accepted as corrected. It was signed by Jack Bash and Father Craig; when Jennifer Christiansen has signed it, the report will be forwarded to the Diocese.

The meeting was adjourned with prayer.

Margaret Reimer, Senior Warden
